

Stop Walking In Circles!

Double Your Performance and Productivity!

Everyone wants to succeed. We all want to have a better life. The problem isn't desire. The problem is not having a plan or process for getting us from where we are now to where we want to be. **Walking in Circles** is based on scientific research but it provides the perfect metaphor for what happens when an individual or an organization don't have a plan for reaching an intended destination.

Takeaways:

- What Outperformers do that others don't do
- Three essentials for performance improvement
- The one characteristic all Outperformers must have

Meet Your Presenter

Les Taylor is the founder and managing partner of Outperformers International. He is an award-winning author, professional speaker and recognized expert in the field of performance improvement. Les is a former law enforcement executive, served as the executive director of the Arizona Association of Chiefs of Police, is a graduate of the FBI National Academy and is currently president of the Arizona Chapter of the National Speakers Association.

Book Les to present **Walking in Circles** at your next corporate or association meeting.

"Les Taylor presented the ending keynote for the High Cost of Doing Nothing Conference hosted by the Arizona Chapter of the IMC. His presentation was chock full of interesting and actionable information. We highly recommend Les as a speaker for your next conference or corporate event."

Connie Burtcheard –
CMC, MBA
Past President IMC AZ

"Les Taylor presented an opening keynote address and a follow-up workshop for the annual symposium of SWANA. Both his keynote and afternoon workshop were outstanding. His presentation was professional, interesting and entertaining. Our membership could not have been more pleased. We will definitely have Les back and I highly recommend him as both a keynote speaker and workshop leader."
